## About the Session

### TARGET AUDIENCE: ALL K-12 TEACHERS ARE ENCOURAGED TO ATTEND

In the spirit of UdL and developing conceptual understanding, these sessions will offer a practical tool/template for teachers to use for planning, differentiation, SEL and assessment. The goal is to infuse a Knowledge & Employability approach to ensure our many diverse learners are able to make meaning from current curriculum and school-based programming. The unpacking tool/template can be used globally for unit planning or in a targeted way to plan for individual student needs.
