About the Session

Thinking about starting a formal or informal mentoring initiative in your school? Are you with a community organization who supports or would like to support mentoring in schools? If so, this webinar is for you! Considerations and initial steps for planning and implementation will be shared including recruiting, training, and supporting mentors. There will be an opportunity to learn from and with others who are at different points in their 'mentoring in schools journey'.

About the Presenter(s)

Caroline Gosling recently retired after 35 years as an educator with Edmonton Public Schools. During that time she taught at elementary, junior and senior high, was a behaviour consultant, a principal at a variety of schools and spent time seconded to both Alberta Children's Services and Alberta Education. Here her work focused on supporting students and families who are vulnerable and creating welcoming, caring, respectful and safe learning environments. During her last secondment Caroline's main area of focus was mentoring, including supporting the Alberta Mentoring Partnership and setting up a Corporate Mentoring initiative at Alberta Education. Caroline holds a Masters degree in Educational Leadership and more importantly is a mom and for the last six years, has been a Big Sister, learning about mentoring by 'doing'.
