Program

Target Audience: K-6 Teachers are encouraged to attend.

Help students use their strong foundational knowledge and skills to tackle real-world challenges that require competencies like critical thinking, problem solving and collaboration. This interactive, 3-part series will help you plan learning experiences for your students that take them from accumulating facts and practicing skills to taking action as critical thinkers.

Presenters

Cheryl Babin

M.Ed., is a Designer of Professional Learning with the Calgary Regional Consortium. With experience in public, international and independent schools, Cheryl has held many roles including classroom and lead teacher, experiential learning coordinator, instructional coach, IB workshop leader and university sessional instructor. Cheryl currently designs and facilitates professional learning opportunities for teachers and leaders in the region. Specific areas of interest and experience include making learning meaningful through critical thinking, conceptual understanding, student engaged assessment, and the development of international-mindedness and global perspectives.

Registration Notes

This session will be recorded and available to all registrants for 30 days after the session occurs.

All session times are Mountain Time.

This series has been postponed until March 1st 2023.
