Program

Target Audience: K-6 teachers are encouraged to attend

This full day session will give teachers the tools and collaborative partners to create flexible, long and short range plans that are **responsive** to student needs. Together we will ensure that students have the opportunity to engage in learning that includes foundational knowledge and skill building, while developing the competencies and deep understandings they need in the future.

Presenters

Cheryl Babin

M.Ed., is a Designer of Professional Learning with the Calgary Regional Consortium. With experience in public, international and independent schools, Cheryl has held many roles including classroom and lead teacher, experiential learning coordinator, instructional coach, IB workshop leader and university sessional instructor. Cheryl currently designs and facilitates professional learning opportunities for teachers and leaders in the region. Specific areas of interest and experience include making learning meaningful through critical thinking, conceptual understanding, student engaged assessment, and the development of international-mindedness and global perspectives.
